

Technical Specs

*We will leave our pursuers with nothing but our capes;* is a 15 minute performance. It can be performed in any setting. Ideally we need a space approximately three to five meters in length. No set up or strike time is needed.

We would like you to provide –

- A P.A or good quality sound system to play CD from - a technical operator to play this CD.
- A basic open white lighting state (if this is to be performed indoors) – no technical operator is required.
- Access to addressing room an hour before the performance.
- Access to the space an hour before the performance.
- One storage box 80cm x 80cm for each performance
